

We Are Not Afraid of the Dark

Words & Music by Jan Garrett & JD Martin

I wake up in a world where night is falling
But I'm not afraid of the dark
I walk not alone through the valley of the shadow
For love is alive in my heart
Love is alive in my heart

Love is alive, love is alive, love is alive in my heart
Love is alive, love is alive, love is alive in my heart

We meet in the middle and out beyond the edges
Under a canopy of stars
We live in the love that holds us together
And we are not afraid of the dark
We are not afraid of the dark.

We are not afraid, we are not afraid, we are not afraid of the dark
We are not afraid, we are not afraid, we are not afraid of the dark

I wake up in a world where night is falling
But I'm not afraid of the dark
I walk not alone through the valley of the shadow
For love is alive in my heart
Love is alive in my heart

Love is alive, love is alive, love is alive in my heart
Love is alive, love is alive, love is alive in my heart

Love is alive, love is alive, love is alive in my heart
Love is alive, love is alive, love is alive in my heart

We are not afraid, we are not afraid, we are not afraid of the dark
We are not afraid, we are not afraid, we are not afraid of the dark

We are not afraid, we are not afraid, we are not afraid of the dark
We are not afraid, we are not afraid, we are not afraid of the dark
